

COMPANY PROFILE

TEAM technoCAL SERVICES was incorporated in 2013 & is a leading professional company for providing CALIBRATION related jobs in following disciplines in & around Bangalore region for all types of Testing and Measuring instrument's via

NABL (ISO/IEC/IS 17025) Accredited Calibration Laboratory vide Certificate number CC-3178 w.r.t.

- ❖ *Electro-Technical laboratory*
- ❖ *Pressure laboratory*
- ❖ *Thermal laboratory*
- ❖ *Mass laboratory*
- ❖ *Volume laboratory*
- ❖ *Dimension laboratory*
- ❖ *Acoustic laboratory*

The laboratory is serving the calibration to many industries like:-

Pharma/Food/Beverages/Automotive/Textile/Chemical/Hotel/Hospitals/Mineral/wood/paper/Printing/Plastic/Rubber/ Tyre Tubes/ Energy conservation/ HVAC/Pathological Laboratories by our well qualified and experienced calibration & validation Engineers.

Why TEAM technoCAL SERVICES

- *High Accuracy Masters for both In-House & On-Site related jobs maintained*
- *Widest range covered under one roof (One stop solution for all your instrumentation needs)*
- *Equipment's Traceable To National / International Standards*
- *Faster Response, Quick Pick Up & Delivery*
- *Reminding for Calibration due dates via VIBGYOR method 9Auto mail & SMS)*
- *Well Experienced & Well qualified Trained Engineers staff we have*
- *Annual Maintenance For Testing & Calibration Contract.*
- *Competitive price*
- *Validated Sops*
- *Strict environmental conditions are maintained to ensure low uncertainty of measurements*

WE COVER THE FOLLOWING AS PER OUR MASTER EQUIPMENT'S RANGE (PL SEARCH YOUR INSTRUMENTS IN FOLLOWING LIST)

1. ELECTRO-TECHNICAL RELATED

- ✓ Multimeters
- ✓ Tongue Testers / Clamp Meters
- ✓ Digital/Analog Temperature controllers / Indicators
- ✓ Stop Watch / Timers / Time Totalizers (Analog & Digital)
- ✓ Process Calibrators / Handy calibrators
- ✓ AC & DC Power Supplies
- ✓ Frequency Meters/Counters/Sources
- ✓ Ohm Meters (Micro/Milli/Mega)
- ✓ Voltage / Current / Resistance / Capacitance / Temperature(Simulation) Sources
- ✓ Data Loggers(Simulation Method)
- ✓ Meggers / Insulation Testers
- ✓ Earth Resistance Testers / Meters
- ✓ High Voltage Testers
- ✓ Process Indicators / Controllers (Pressure, Temperature, Humidity, Vacuum, Differential Pressure, Level, Flow, Etc..)
- ✓ Voltmeters
- ✓ Ammeters
- ✓ High Voltage Probes
- ✓ Phase sequence meter/Single foot ware tester/Dual foot ware tester/Wrist trap tester.
- ✓ Recorders (Paperless / Strip Chart)
- ✓ Decade Resistance/Inductance/Capacitance boxes & LCR meters

2. THERMAL RELATED

- ✓ Thermometers (Digital/Glass/Clinical)
- ✓ Temperature Indicator / Controller With Sensor
- ✓ Temperature / Humidity Data Loggers, Temperature / Humidity Recorder With Sensors
- ✓ Calibration Of Ovens, Freezers, Incubators, Autoclaves, Refrigerators Chambers, Furnaces, Cold Rooms, Etc.,
- ✓ Infrared Thermometers, Thermal Imagers, Pyrometers
- ✓ Temperature Humidity Meters / Thermo Hygrometers
- ✓ Calibration Of Water Baths & Oil Baths
- ✓ Temperature Sensors (RTD & Thermocouples), Dew Point meter
- ✓ Thermal Mapping For Ovens, Freezers, Incubators, Autoclaves, Refrigerators Chambers, Furnaces, Cold Rooms, Etc.,

3. MECHANICAL & DIMENSIONAL METROLOGY RELATED

- ✓ Pressure & Vacuum Gauges / Transmitters/ Transducers/Switches & Compound Gauges & Magnehelic Gauges
- ✓ Differential Pressure Gauges / Transmitters / Transducers/Switches
- ✓ Weighing Balances
- ✓ Sound Level Meters
- ✓ Tachometer / RPM Indicators / Centrifuge
- ✓ Lux / Light Intensity Meters
- ✓ Vernier Callipers, Micrometre/Screw Gauges (Internal & External), Height Gauges, Depth Gauges, Feeler Gauges, Dial Gauges, Thickness Gauges
- ✓ Analytical Weights

4. MASS VOLUME RELATED

- ✓ Micro Pipettes
- ✓ Measuring flask
- ✓ Volumetric Cylinders
- ✓ Liquid Flow Meters

5. WATER ANALYSIS RELATED

- ✓ Table Top / handheld / Online pH / TDS / COND Meters
- ✓ Resistivity Meters
- ✓ Turbidity / Dissolved Oxygen Meters

6. ENVIRONMENTAL RELATED

- ✓ Sound Level Meters & Calibrators
- ✓ Temp. & Humidity Meters / Transmitters
- ✓ Light (Lux) Meters / Transmitters
- ✓ Anemometers

7. OTHERS WATER ANALYSIS RELATED

- ✓ Moisture Meters
- ✓ Force Gauge
- ✓ Weighing Scale
- ✓ Vibration Meters / Transmitter
- ✓ Handheld / Table top / Online Refractometers

8. CAPABILITY TO VALIDATION & MAPPING

- Autoclave
- Tunnel Sterilizer, Dry Heat Sterilizer
- Hot Air Oven
- Room Mapping (Temperature, Temperature & Humidity).
- BOD Incubator, Refrigerator.
- Walk-In / Stability Chamber Temp. & Humidity Chamber.
- Furnaces (All Types)
- Validation and Mapping to meet USFDA, MHRA Requirements.
- Thermal Mapping to meet NADCAP, HPS, CIQ & AP Standards
- Mapping for evaluation of Freezers, Chambers, Ovens etc

TEAM technocal SERVICES

(NABL ACCREDITED CALIBRATION LABORATORY as per IS/ISO/IEC 17025:2017)

Registered office & Works @: Survey No. 39/1A, Near Doddabettahalli Bescom Office,
Veerasagar road, Vidyaranyapura Post, Bangalore - 560097
MSME Registration No. : KR03A0037477, GST No.: 29AWSPJ4587F1ZT
Contact numbers: +91 – 97386 49286 / +91 - 8892136503
